

One-Minute Skit

Mr. Oncay's Drama Class

**Each group needs a copy of this page.
Decide who will hold onto this page responsibly.**

1. Your group must pick a movie from this page (no other options).
2. Two groups in your period can not do the same movie.
3. You **MUST** outline the movie (quickly on some paper).
4. You must decide who will play each character in such a way that everyone has multiple lines to say in the skit. Any student can play more than one character. One person should not have a majority of the lines.
5. Props and costume pieces are allowed but only slightly. Don't focus too much on this.
6. You can write a very short outline together if you like, but don't stress about writing down every single line.
6. The entire skit should take 50 to 70 seconds. Don't worry about memorizing too much. Just improvise and have fun.
